“ *Uncle Ray Rest in Peace. To have the privilege of having so many Uncles and Aunts in a Family of absolutely lovable, fun, outgoing, unconditional accepting souls made my childhood memorable and blessed to say the least. The countless nights (well usually turned into early mornings) when I would babysit Tracy became special moments to me. You would drive me home and impart that Doran wisdom. Your kindness and genuine concern radiated Love then, now and will continue because you and all your siblings possess a very undeniable, unspoken bond of acceptance, laughter, and an authentic sincere love to all you meet, which leaves a part of you in all of us . Thank you for the gift of You!*
Love,
Charlene
