“ Aunt Marcy,Dave,Mark,Jeanne, Tim and Your families, My condolences on the passing of your husband and father. He was such a kind man! He also showed such sincere interest in the lives of not only his children, but nieces, nephews, cousins and anyone who came in contact with him. One and all would benefit from the knowledge he shared with younger generations.The love of learning clearly shows in all his children and I am sure he was proud of the wonderful and inspiring adults you all turned out to be. Condolences also to all his nieces and nephews who had the good fortune of feeling his devotion as well. I wish you all the warmtn and comfort of many good memories when you think of him.
