“ I was so sorry to hear of Ricks passing. He was so good to call and talk with my children and grandchild after Philip died. I enjoyed talking with him on the phone. I wished we had not lived so far apart. I love and good wishes go out to all his family.

“ My Uncle Rick, Having only met you once, once was all it took for me to see how much I would have gotten along with you. Like my father, Phil, you possessed a wit and charm that was irrefutable and unique. I hope to carry on that legacy along with my brother Martin and my sons, to keep the Willmarth name alive....lewd yet lovingly legendary. Love you, sir. your nephew, Richard.

“ Rick, the last of the four to make it home. You were one of the greatest brother in laws and a good uncle. Dave thought a lot of you and enjoyed talking with you on the phone so many times. Your passing has left us all so sad.

“ My DAD...Freind and favorite comedian. I am so glad that I was there with you when GOD took you home. I know you are among the family there. And I am GLAD that you can see the people you love. I know you are still among us in Spirit, but I wish I was with you now. I will miss you until I see you again Dad. You know we love you, and ALWAYS will.

“ I am terribly saddened to hear of Uncle Rick's passing. I have had rare opportunities throughout my life to visit with Uncle Rick and the Ohio Willmarth's. But I remember all of my visits and conversations with Uncle Rick fondly. He was extremely supportive after my father passed and knowing he is not there to call and talk to leaves me with an emptiness in my heart. I will miss him and my thoughts and prayers go out to all of you.
