“ I'd like to extend my sincere condolences in the loss of your mother. I was a friend of hers in Fremont where we met as Jack and my husband Ed worked together at Borg Warner. They often played golf together. Your mother is the reason I play bridge to this day. She convinced me to learn just six weeks before the birth of my first daughter. In fact, I stayed with your mom and dad a weekend before that birth when Ed was out of town and your mom hoped I would go into labor to add some excitement to the weekend! I know she'll be missed by her family. She was a great lady.
