“ *You don't know me, but I'm writing to thank your family on behalf of my granma who worked at Balduf bakery in Shorlings for years. Her name was Maud Briard, your family was extremely kind to her and she was a devoted employee up until weeks before her death, Thanks for being such a warm company,*

“ *We were so sorry to see that Bob Balduf had passed. He was such an interesting man. His interest in preserving the family genealogy really impressed us. We had just spoken to you, Bob, at Dr. Weinstein's office. We both are so saddened. We remember the time he came to Raymond Balduf's visitation to see if there was connection to our family. Unfortunately we are leaving for out west on Wednesday so we will not be able to offer our condolences in person, but know we are thinking of your father and your family.*

“ Dearest Jane and Family, I was so sorry to read about Bob's passing. You both were always so kind to me. I remember Bob's gentle humor and always thought of him as a friend. Jane, you meant so much to me. I think of you often and the things you would say in the office about how miracles always happen in Pastoral Care. How right you were, and now in my retirement employment at my church, I see miracles happening again just like you always said. It was wonderful having a Christian friend like you. Sorry so many years have slipped away from us. God be with you in this valley. You and your family are in my prayers. God bless you always. Ruth

“ Dear Jane and entire Balduf Family- I was so sad to hear of Bob's passing. I have such fond memories of him and of all of you from my youthful days on Homewood. I am praying for him and for each of you as you try to manage your grief. He was a wonderful man who lived a full life and and I have no doubt he is enjoying eternal rest, while watching down over all of you. Love to you all.
