“ Bob, and family: Bob, you were such a wonder friend, I learned so much from you! You taught me so much in the grocery business, and we had such fun doing all those Food Town resets!! You and your family have been such an inspiration to me. I will love you always.....see you in the next life!! To Mae and family my heart hurts for all of you during this difficult time. I hope in time that your pain can be replaced by all the wonderful memories that you have shared with Bob.
