“ I was so sorry to hear of Rob's passing. I met him at Ridgewood Manor where he resided. I am from St. Joan of Arc Parish and every Wednesday morning we did a Catholic Communion Service for the residents. Rob was always smiling and I loved his sense of humor. He would chuckle at some of the antics of the other residents. Little things would strike him as funny and he would laugh out loud. I knew he loved Harleys because he wore shirts with Harleys on them. It was great to read his obituary and know that he was very much loved by all.

“ I am so sorry for your loss. Rob hired into DTE Energy (Detroit Edison) shortly after I did. He was a great guy and was sorely missed when he left, as his family is surely feeling now.
