“ I remember being 12yrs old and getting the call my grandfather was in the hospital on his birthday because of this man! He killed my grandfather! My family wasn't the same after that..
At least you died at your own free will...
My heart still hurts to this day thinking about what happened to my grandfather. He was a very sweet and kind blue collared man!
Served our country to be taken away in such disgust and disrespect! This man deserved life for what he did..

“ Dear Linda and family, it was with sincere sorrow I learned of Bob's passing! He was a blessed crumudgeon. His dull wit and charm endeared him to all. My God grant you his favor and keep you all wrapped in His graces. I love you Linda. Rho
