“ Bob and I went to Central together. He always had a smile on his face, was kind to everyone he met and such a good friend. Although I haven't seen him for awhile - he was the kind of guy you could pick right up where you left off. Rest in Peace Bob - too soon.

“ Bob was a fellow co-worker that I had the opportunity to work with for 38 yrs at Hamilton Mfg.  
So many great memories. He was the best cook for our company cook-outs. He will be truly missed. My prayers go out to his children and family.  
RIP Bob.

“ My deepest Sympathies to the Reny family. I had the honor to be Bob's golf partner this past season so we spent every Thursday together on the golf course. Lots of laughs, great golf shots and of course a "a few cold ones". I will cherish these fond memories of Bob. I will miss him dearly.

“ Bob had been our next door neighbor for over 19 years. Not only our neighbor, He was our true friend. So many countless memories that we shared together. We went as far as making a doorway between our backyards to hang out together having numerous fires, cookouts and celebrations. He was our "Buddy"! It will never be the same without him beside us (literally). To his family, Don and I are heartbroken for your loss. He was one of a kind, my "Gentle Giant" and will be greatly missed by all who knew him. Never to be forgotten. Don & Kat Dominique
