“ *Words cannot describe the loss I feel. Time and distance have kept us apart. But, love and remembrance of the great times will never let me forget. I loved him so much. I'm foolish for not letting him know exactly how much. Rest in peace. Uncle Buggy misses you, loves you, and prays for you to be at peace.*

“ Bobby...this is like a bad dream to me...I am begging for someone to wake me up. I am so glad you came by on Saturday, that we had a good time and that I gave u a hug before u left. If only I could go back and tell u that no matter what happened or what we went thru, I always loved you...my baby brother, and the best uncle EVER. Angel loves you so much. I don't know how I'm going to live without you.... Me and Angel are going to miss you.... Please watch over us, over ALL of us, the whole family. And know that my life will never be the same again. It is forever incomplete. I love you Bobby... I can't stop the tears. I feel like a part of me has died and left with you. We were lucky to have you in our lives....and U WILL NEVER BE FORGOTTEN. I wish I could have somehow stopped this from happening..... You were too young to die and I am SO ANGRY that this happened. Please be in a better place. And I will see you soon. R.I.P. Rob....you'll always be with me, and alive in my heart, in all of ours. Love Always Your Big Sis..... Krissy
