“ *It is with great sadness I read of the passing of my High School classmate Bob. I wish to offer my sincere and deepest condolences to Sue and their family. Bob was always a friendly and light hearted guy; I can't recall his ever being angry in my presence. I also found him to be among the luckiest guys on earth...one who landed one of the O'Donnell girls, whether it was Sue, Jan, Kate or Lynne. You are in my thoughts and praters.*
