“ I am so sorry to hear about the loss of one heck of a guy. He was my union steward at Jeep for a while and I could always go to him about contract interpretations. He had this ability to always explained it in terms anyone could understand, you just had to listen to him closely. He is a true friend and all around nicest guy I ever had the pleasure to work with. A real jokester. My thoughts and prayers are with you all now and always. Your Friend Always, Randy
