“ Dana and Becky, I am so sorry I am unable to come home for Uncle Bobby's funeral. He meant so very much to me . . .I can't even look at the pictures right now, it saddens me so to know he is gone and that it's been so long since I have seen him. He truly made every Christmas so much to look forward to and so wonderful! I still have every coin he gave me every Christmas! He was one of my favorite family members. . . .I will miss you and love you Uncle Bobby!

“ family of Bob Woda: I knew Bob as a brother Ironworker and my former welding instructor as an apprentice. I will always remember him, with his blue jean shirt,buttoned up to his neck and bandana, always doing things his way, never conform- ing,always the master welder. A true profes- sional, and a credit to the Ironworkers. God now has a man he can count on in case those pearly gates ever need fixing.
