“ Hello Jan, We were so very sorry to read that Ron passed away and wish to express our deepest sympathy to you and your family. It doesn't seem that long ago when we were worshipping with the Boulevard family and you and Ron and the your parents. You and I go back a long way to that Bible school class in the old Boulevard building with Bob Fulton. Remember the introduction of the coffee pot to that class? Then came the bagels, etc. Remember the class parties? We were so young then. I even remember you before you married Bob. I have really fond memories of our past. I hope God will continue to bless you especially at this time and in the future.
Love, Donna and Dan

“ Jan, Shannon & Erin -- May God bless you with a peace that passes all understanding. Though it's been years since we've seen each other, you are still close due to our past together. Jan, just last week I was thinking about the day Emily gave birth to her oldest son, Jacob. Do you remember being there? I was wondering if you were still working there. Send me an email address so we can catch up. Lyn Myers
