“ When we first came to the Lake in the 90’s, all the good boys were there taking care of everybody. Art, Herbie, Leon, Stanley, and Ronnie took care of everybody from keeping the speed limit down to solving a problem with your cottage or the lake. It has been a nice place for our kids to grow up because of the kindness that Ronnie and his friends shared with all of us. Ronnie can now be with his beloved Sandy. They both left a lot of memories at the Lake and we will never forget them. Our daughter has our cottage at 676 Valentine and I hope their family makes memories with the neighbors like Ronnie did.
