“*Sheila Miller (neighbor) I want to send my condolence to the Berkel family. Do to the covid-19 I thought it would be best to stay away. I enjoyed the years we shared as neighbors. I remember the times we sat on her porch and talked and laughed for hours. I will cherish those times and I will think of her next spring when I'm working in my yard. Rose was a true friend and a good neighbor. Rose will be missed but never forgotten. She is home with the Lord now. MAY GOD BLESS ALL OF YOU !!*

I met Aunt Rose and Uncle Bob 40 yrs ago! I've loved them every since! Since finding out that Aunt Rose's Angel and the love of her life Uncle Bob has come to take her home in heaven. Has so many tears steaming down my face. I'm going to miss her. Dance in the sky Aunt Rosemary. Kiss them all for us. Have a beautiful Christmas with Jesus Christ this year! Until we meet again, I'll remember the good things about her.

One of My favorite memories of Aunt Rose that sticks out till this day. Is one I'll never forget. Mike and I went to Frankenmuth. While we were there we found a pizzellez maker! I was so hungry for them. So I called her sister, Aunt Barb to get her number. I called her and we laughed together. I told her I wanted to learn how to make them. She told me that she would look for the recipe and send it to me.! She did just that! I received her pizzellez recipe in the mail! She has the most beautiful handwriting! Till this day I still have the recipe she sent to me. Mikes family were very loving and kind. I love ❤️ them so much! Aunt Barb and Aunt Rose have always been very close. When uncle buddy passed away few years ago I was talking to Aunt Rose her I was going to make some pizzellez for the Wake. She looked at me, then said “oh No I make the pizzellez for funerals and weddings!” I laughed, and she hugged me. Well Aunt 🌹 , I know you are happy now, without pain and this pandemic! I will honor you every Christmas when I make Pizzellez. Hope it's ok to make them for Aunt Barb. She is very sad without you. Mike and I love ❤️ You. The world lost a beautiful soul. You've Been one of the best aunts ever! RIP and I hope your dancing in the sky! Kiss Esther, George, and the others who have gone before you. You've always been so strong. I ❤️ you so much!
