“ *Condolences to your family. Rose was a very good friend and neighbor to my mother for many years. They shopped, ate out and laughed together. But most importantly, family was everything to Rose. She was very proud of all their accomplishments.*

For many years on my birthday, Rose would make me a pot of meatballs. No person or restaurant could make them like her.

Peace be with you.

“ Mom nothing will be the same without you anymore. From pulling up to the house and looking for you sitting on the front porch. To sitting with you and watching the people across the street up on the roof lol. Or just watching the cars pull out of the parking lot knowing which way they are going to turn. I will miss all the daily calls about what I'm going to have for dinner. I now catch myself talking to my kids asking them what they are gonna have for dinner. We love and miss you , You are in our hearts forever .
Love you mom
