“ *Ruth was a remarkable lady who loved her family. It is the knowledge of her family's love for her that confirms this. She will certainly be missed. She is in God's hands, and we all thank God for sharing Ruth with us.*

“ *I am writing to send a message of hope at a time that is very sad. It is so difficult to lose someone we love but the Bible speaks of a time when all those that have died will be resurrected abck to life here on the earth. Both in John 5:28&29 and in Acts 24:15 it tells us that all those in their memorial tombs will hear Jesus voice and come out. When Jesus was here on the earth he demonstrated that he had the power to do this because he resurrected several individuals that had died, the most well known being Lazarus which account is found in John 11:38-45. I look forward to this since I have lost several in my family. I also look forward to the time when death will be done away with and there will be no more pain to suffer as is brought out in Revelation 21:4. I want to send my deepest sympathies and hope these scriptures might bring comfort in a small way.*
