“ *Pam, I know this is a difficult time for you and your family but I wanted to let you know our DHS reunion committee is planning for our 50th reunion next July31-Aug.1st weekend. Would you send me your current address so we can send you all the information on it and hopefully you might be able to attend and see old classmates. It might be our last reunion so we are trying to reach out to everyone and you might even be able to help us contact some people we have lost track of.*

Wishing you the best,

“ *Pam, I was so sorry to read of your mother's passing. It is always so hard to say good by to your mother even though she lived a good long life. Although I did not know her personally she sounds like she was a wonderful loving person who was a great mother to you all. My thoughts and prayers are with you.*
