“ *Dear Sandy,  
My young brother became your son 38 years ago - and in exchange I gained a great sister - even though I have 4 natural sisters, Beth has always been special to me. You and Jim did a wonderful job raising her.*

*One thing I will never forget about you is that early in my marriage, you were always clipping coupons for me - Thank you - you probably did that for all you kids but the fact you did it for me, made me truly grateful. 😊*

*Rest in peace -*

“ Mom I miss you ssooo much. I've called you 3 times a day for 8 years and now I can't talk to you. I miss you asking me what I'm doing every day or how I slept the night before. I miss having breakfast with on the Saturdays we would spend together. I sat on your lap till I was 13 years old. You are no longer in pain and most importantly you're with the love of your life. I love you, you will always be in my heart. Love, your little baby girl. 💕💕
