FREEMAN

Sarah J. (Lawrence)

Sarah J. (Lawrence) Freeman, 80, passed away peacefully in the presence of her daughter, Sharon, on October 12, after a seven month struggle with cardio-vascular disease.

Sarah was a wonderful human being who loved her family and friends. As testimony to this, she maintained life-long friendships with her chosen “sisters”, Grace and Anna. She had a love for children and if she had been able, she would have had a dozen kids! She was a stay-at-home mom until her youngest went to school. She then took a position in Housekeeping, at Flower Hospital, where she worked for more than two decades. Patients and hospital staff loved her as she was always cheerful and would chat with them while performing her job. Sarah enjoyed wearing “holiday-themed” earrings at work, which she found were great conversation pieces! After retirement, she spent nine years caring for her beloved grandsons and continued watching them grow into wonderful, young men.

Sarah was a one-of-a-kind woman and she will be sorely missed by those who knew and loved her.

She was preceded in Heaven by her parents, Jesse and Edith; sisters: Jenny, Mary, Martha, Thelma; and nieces: Kitty and Amy Whitehead.

Sarah is survived by her three children and two grandsons: Charles (Mark

Rauschart) Reitz, Sharon Freeman, Robin (David) Pest, Trevor and Foster Pest. Also, she leaves behind sister-in-law, Donna Lawrence; nieces and nephews, including Joseph (Andrea) Greenwood.

Sarah requested that there be no funeral and her family honors her wish. In lieu of this, if you would like to honor Sarah, the family asks that you consider a contribution to one of the following charities: St. Jude Children's Research Hospital, American Diabetes Association or American Heart Association.

“ We hope you can find solace knowing Sarah still lives in the hearts and minds of all who knew her. She was indeed a very special and loving person. I remember bringing Jerry to meet Sarah and Bob shortly before we were engaged. I think Sarah knew that Jerry would soon be a member of the family. She welcomed him with an open heart and made him feel right at home, as only Sarah could. She is remembered with love in our family.
