“ As my language teacher in 7th and 8th grades at Old Orchard, Miss Judy gave me the solid foundation in language skills that I'm so grateful for, even now, some 30 years later. I have so many lasting memories from my time in her classes -- from diagramming sentences, to Greek Mythology, how flammable and inflammable mean the same thing, and, of course, how to avoid being stung by bees by pretending to be a tree. Thank you, Miss Judy, for your time and your inspiration.

“ "Miss" Judy was my 6th Grade teacher at McKinley Grade SchoolRoom216 in 1958. I remember her as a young beautiful teacher with many teaching skills including music. May you find comfort knowing her love of teaching touched many students at McKinley School especially this former student.
