“ *Words fail me Gil. In the nothingness of why, there is little to say. Brightness was wiped away far too early. Yes, perhaps, that might be an answer. Yet, ever lingering, leaving you, your wife, your loved ones behind questioning any answer. There are no clear cut answers. Time, the great passer, also known as healer won't erase memories. One can only hold tight to hope, that a life well lived, will lend comfort to your weary soul. May the veil of heaviness lift, to greet, daily, dawns first light. May you find your beloved there surrounded by a thousand angels in flight, smiling, moving gracefully with the wind of his soul. Accept my deepest condolences, from the bottom of my heart, Gil. In spirit, I remain. xxoo Mariska Kinsey-LaCava*
