“ Miss Grimley was one of my sixth grade teachers at Mason Consolidated School in Erie, Michigan. She was a great teacher and wonderful person. I still remember her fondly. She taught when my children were in school. They didn't get her and when I would see her at school functions I would joke that she had more than enough of me and was afraid she'd get another one like me. Thank you for becoming a teacher and making a difference in so many lives.

“ Dear family of Suellen Grimley, my sincere condolences and sympathies on the passing of Suellen. My father, Jim, and her father, John, were best of friends, coming to Toledo in 1940 to open Jim White Chevrolet. Although I did not know Suellen that well, she was always upbeat and happy every time we came in contact with one another. She had her love for golf from her father as he and my dad played a lot of golf together when I was growing up. My very best to you all. Jim White, Jr.
