

Susan M. Daly

August 20, 1943 - August 19, 2024

Susan M. Daly, "Sue", 80, of Toledo departed this life unexpectedly on Monday, August 19, 2024, one day before her 81st birthday. Sue retired in 2003 from Owens Corning and thoroughly enjoyed the next 21 years of her retirement. She lived life with energy and enjoyment. She loved engaging in conversations with everyone on any topic, with politics being one of her favorites. She loved putting in her yard and gardens and generally loved being outdoors. Her other great passion was her love for her 4-legged friends, particularly her dogs and cats. Big and small, Sue loved animals and the animals all loved her. Sue was the kind of person that would stop everything to help someone in need and was a great friend. She will be missed dearly by all who knew her. She was preceded in death by her beloved mother, Dorothy and father, Nicholas Daly.

Friends are invited to visit from 10am - 12pm on Thursday, August 29, 2024, at the Ansberg-West Funeral Home, 3000 W. Sylvania Ave., where a brief service will begin at 12:00pm. Interment will follow at Calvary Cemetery.

In lieu of flowers, donations can be made in Sue's memory to Maumee Valley Save-A-Pet (5250 Hill Ave, Toledo 43615), Humane Ohio (3948 W. Alexis Rd, Toledo 43623), or The Healing Barn (27731 Bradner Rd, Millbury, OH 43447, www.thehealingbarn.org).

“ Sue was an “aunt” to us girls when we were younger. She had us over for sleep overs and put up the projector and allow us to see pictures (on a wheel), as well as she would take us to Cedar Point (when it was \$13 per child). She and my mom were the best of friends and celebrated their birthdays just a week apart. She was a real animal lover too. She will be remembered by the things that brought smiles to me and my sisters.

“ Sue was more than my neighbor, she was my friend. We became close over the past several years. She was invited to holiday meals and became "Grandma" to my three four legged kids. She spoiled them as if they were hers. I most loved her for her matter of fact attitude and her truthful tongue. She was my cheerleader through my cancer and I enjoyed our many visits sharing our lives. I miss you already. See you on the other side!

I'm in shock and saddened to learn of Sue's passing. I have so many good memories from my childhood spent with her and Grandma Dorothy.
