“ It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again. My prayers go to Sue family, friends and work family. Your smile and stories of your grandchildren will be missed. Much Love, Lisa Weidman

“ Your mother and I have enjoyed many years together at Therma-Tru and I am so sorry to hear of her passing. We just talked last week about getting together for lunch with some of the friends at Therma-Tru. She and I always ate our lunches together then and since then. She is going to be greatly missed.

“ I also worked with Sue at Therma Tru. It's been awhile since I've run into her, but every time I did it brought back happy memories. She was a terrific person and I was so sad to read of the suddenness of her passing. Thoughts and prayers are with you.
