“ I'm sorry I couldn't make it to the visitation; Steve & Sue are my Godparents. Even though I didn't see them too often as I got older, I still think about them. They gave me a beautiful pearl necklace when I graduated high school, which I am having restrung, since it broke years ago. I can remember visits to their house and how sweet, kind, and loving they both were. I also remember Sue bringing the most awesome Jambalaya to my parents, Paul and Donna Bertok, party for their anniversary / birthday / retirement. I'm sorry for your loss and pray for Peace to all of you! Judy (Bertok) Davidson

“ Aunt Sue was such a great seamstress. She made all of my high school uniforms as well as all of my prom dresses. Over the years I have been able to stop in and see her when I have been working over in her area and she was always quick to want to feed me something. It was always nice to sit and talk with her. Aunt Sue will truly be missed.

Love you,
Gwenn

“ I have many great memories as a child at Aunt Sue's house. I loved spending time with Sue and Steves kids, Pam, Mark and Gail. Sue always made such great food for us especially Hungarian pastries. I will miss you Aunt Sue. God bless our dear family! Wendy Docter (Fitzgerald)
