“ It's hard to express in words the deep sadness we feel that we won't be seeing Sue again and hearing that laugh of hers. We couldn't have asked for a better neighbor or friend. Gone are the days of chit-chatting over the fence or having a "brew" at our picnic table. Good memories. Yes, we too bought cars/trucks from Sue because she knew her vehicles and what was best for us. Bob, be strong. We hope that you and all Sue's loved ones will remember the good times and know that she will be missed by the many, many people whose lives she touched.

“ We knew Sue as we were her customers at Brondes Ford. She was so outstanding at what she did, we honestly felt more like friends. Our hearts are just broken and can only imagine the loss this is for her family and loved ones. She will remain in our prayers today and always. God bless you, Sue.
