“ My mother, Mary Klotz Burton, was the half-sister of Sylvia. Although she was only in contact with her the last few years of her life, Mother was so very glad to know and love her. My prayers are with all of those who knew and loved Sylvia. I am glad that all the sisters and brothers are now together in Heaven. I would like to have some Masses said for Sylvia and I would appreciate someone contacting me with the information as to who to send the Mass cards to. Thank you. BJ

“ I was so saddened to hear of Aunt Sylvia's death. She was my mother's half sister and my own family just got to know Aunt Slyvia in the past few years through exchanging cards. She was always so happy to hear from us and to exchange information about the Klotz families in Michigan whom she loved so much. I am so happy that she was able to enjoy her Michigan families throughout the years---I know they were a blessing to her. I will miss receiving her notes!!! It was always a comfort and blessing to know she was thinking of us. Our Love and prayers go out to her family and friends, God's blessings and comfort to you all! Kathy and Alan Anderson and family
