“ When I saw the first obit notice I thought I am sure I had Mrs. Veres at Nathan Hale but it did not say that she had taught there,until the larger obit appeared. I remember her Home Ec. classes clearly even after all these years. Those memories include how to set the table, and always to wash the silverware and glasses first. I am so sorry for your loss, it sounds like she was a wonderful lady. We do have the comfort that we will be reunited when we meet again for those of us that have been born again. May the LORD comfort you in the days ahead.
