“ *Terry loved working on his grass so when I heard the lawn mover start up I would go out side. Being Terry neighbor we became good friends had lots of great conversations of the old days. Terry was my lawn Buddy we would help each other out on our lawns. Terry always watched over me. He would call me just to check on me which I was very thankful for. I will forever miss my friend Terry he was a wonderful man too me.*

“ *I was home back in oct of last year for my uncle Jeff Marshall's funeral and I was able to see my grandpa, and I'm glad cause it has been years since I last saw him. Grandpa never called me his step granddaughter, it was just his granddaughter. I love you grandpa and I will miss you!*
