“ Growing up with Troy as my next door neighbor was NEVER a dull moment. We played baseball, football, went driving around gossiping, egging, and toilet papering, he even babysat my sister and me many times. Troy was the most funny person i have ever meet. I will never forget all the good times we shared. I will always have a special place in my heart for my friend Troy. I will miss you. My prayers go out to his family. I pray that his two beautiful children find peace and comfort knowing that daddy is now in a place that will allow troy to be with them every minute of the day. Full time angel, troy will always be to his children. My prays are with the family. With love, Brittany

“ One of my many memories of Troy is dancing together at a 6th grade dance. When we were in school, he always knew how to make people laugh and was fun to be around. My heart, prayers and thoughts go out to MacKenzie and Mason and may they find comfort in the happy memories they have of their father. Even though this is a very difficult time for you right now, know that your family and friends are all here for you and love you very much!!
