“ *I just learned today that Uncle Urb had died. My father-in-law (Bill Huth) was his brother. Years ago we kept in touch, but its been many years since. If anyone reads this, I would love to hear about Urb and Pat, Barb and children. I remember him as a very warm, gentle man. May he rest in peace.*

“ *We're very sorry for your loss, and hope you find comfort in fond memories. Urban and Patience were next-door neighbors of my mother-in-law, Liz Brolinson. The Huths became wonderful friends to Liz, and always treated our family with kindness and caring.*

“ *Barb: Wanted to extend my sincere sympathy on the passing of your father. As I am sure you know he was a great man. I can still remember my interview with him for Blue Cross Blue Shield. He must have thought I was ok because I got the entry level job. My thoughts and prayers are with you Rita*
