“Vince, May the road rise to meet you, May the wind be always at your back. May the sun shine warm upon your face, The rains fall soft upon your fields. And until we meet again, May God hold you in the palm of his hand. To the family: Our thoughts and prayers are with you.

“ Aunt Margie, I want to tell you how much I admire you as a mother. For as long as I can remember, you were Always a Wonderful Mother to your children. Find peace in knowing Chente will always remember what you have done for him and that you were always there for him. With God's strenght, you will continue to be strong and continue to be the best mothergrandmother you are and have always been. Chente was lucky to have a mother like you. I only pray that I can be the kind of mother you are. One who is always there for her children, under any circumstances, be what it may. Have comfort in knowing that Chente is in God's hands and that is the most peaceful and safe place to be. Take pride in knowing that a part of Chent will live on, not only in our hearts and in our mind, but also through his beautiful little girls. This too shall pass. God be with you. I love you Aunt Margie. Love - Toni

“ *dearest margie and family and monie and family, my heart felt prayers and thouhts are with all of you. i am very sorry for your loss. the one thing us as mothers do not want to do is to lay to rest one of our children.it is our greatest fear. though when it happens , all we can do is be thankful for the time we had with them and no that he is one of gods angels now. he will be with you always in your heart and memories and in the smiles and actions of his loved ones left here to morn him. he is your gardian angel now and will be watching over all of you.again i am so sorry for your loss. may god be with all you.*
