“ To the McCracken Family
I had hoped to visit with you today, but was unable to make it. I was so sorry to read of your dad's passing. He had a good, long life and you all are a testament to what a great job your parents did in raising you. May your memories of your parents be tucked away in your hearts forever. God bless!

“ I'm sorry to hear of Wayne's passing. I knew him from boy scout troop 117. He was quite an asset to the troop and a wonderful mentor to both of my boys also. He really helped keep scouting alive here at Longfellow. I also enjoyed our many conversations about masonry.
Sorry for your loss.

“ Pat, I'm so sorry for you family's loss. It had to be really nice to have your dad move to be near you.

Your dad used to take us to football and basketball games in your big station wagon, I loved that car! He would always do or say something to make us all laugh.

I know you and your family have so many wonderful memories to treasure.

Sorry to read about your Dad. He was a good guy. I'm glad that you were able to spend as much time with him as you did. Unfortunately, we are out of town and won't be able to get to the services.
