“ Wayne was an awesome person. If the world had more people like Wayne it would be a much better place. He will live on through his children. We personally know Chelsey and she has many of the qualities that made her father such a good person. I know he is proud of you Chelsey and he will always be your guardian angel. May God bless you and help you and your family through this difficult time.

“ Ryan and Chelsey, There nothing we can say that you don't already know about your Dad. What a great and wonderful person he was. Our lives will never be the same without WayneO. My best memory of your Dad is when He and Rick decided to drive to Rockford IL to see Ryan play ball. I know Rick can tell the story better then me but when they got home the next morning at 5am Wayne had a smile on his face that said it all. He was so happy to have surprised Ryan and to see him play. Their are so many story's we have of Wayne and they will be told for many years to come. Ryan and Chelsey you will always be in our hearts and thoughts. We loved your Dad very much.

Wayne, I will always be thankful to you for being there for me when in need and every time I watch the Chicago Bears, you will be on my mind as one of the most dedicated fans I ever met.
