Bill graduated from Celina Senior High school in 1966 where he earned all WBL honors in football, played basketball and track and field. He started his college career playing football at Ohio Northern and received his bachelor's degree in Secondary Education from Bowling Green State University.

Bill devoted his life to building and developing young men to not only be better athletes but to be better men. He started his coaching career at Whitmer High School and was head football coach and later athletic director at Macomber Whitney High School until they closed in 1991. He was an avid Ohio State Buckeye fan and a Pittsburgh Steelers

“ I am so sad to hear of Bill’s passing. From 7th grade through high school, he was like a brother to me. I talked to Bill just before, and after Carol’s death. He loved her so much. Family meant everything to him. Betsy was a source of so much pride. I wish the entire Young’s family my condolences. Bill was such a wonderful man!!

With love. Dick Quilling

“ Beau,
My name is Bob Berkowitz. You most likely don’t know me but your parents were friends of mine. My daughter was born in the same hospital as you and we went through birth classes with your folks together. I worked with your mom in Sylvania School, was a football official and officiated some of your dad’s football games. They were wonderful friends. I am sorry for your loss. May their memory be a blessing and may they rest in peace.
