

William F. Byers

June 29, 1956 - June 20, 2010

Bud Byers, 53, passed away Sunday, June 20, 2010, at The Toledo Hospital, surrounded by his loving family and friends. He was born June 29, 1956, to Marion and Mary Byers. He loved his Ohio State Buckeye Football Team and the Pittsburgh Steelers. He spent every weekend in the fall watching the games with his family and friends. Those were his favorite times. Bud was also an avid fisherman. He worked for Toledo Pressed Steel, the City of Toledo and Lucas County Metroparks. Bud was also a longtime member of the Commodore Club. He worked hard, played hard and loved hard and for that his family will always be grateful. Bud will be deeply missed by his wife of 35 years, Debbie Byers; two sons, Justin (Alex) Byers and Jack (Ashley) Byers and three beautiful grandchildren, Braden, Austin and Aubree. He loved to be called "Pa Pa." He is also survived by his sisters, Barb McGovern and Nancy McCray and their families and his brother, Jim Byers and his family. He would also want to acknowledge the many friends he made along the way, especially his childhood buddy, Joe Palencsar. He was preceded in death by his parents and brother, Leonard Byers. At Bud's request, services will be private for family and close friends. Memorial contributions for Bud may be made to the American Heart Association or the Toledo Humane Society. Please remember his loving ways, his laughter and that he was a great guy. It's been a great ride and we will miss you always. And on a cool, crisp, Saturday, when the Buckeyes are getting ready to kick off the ball, everyone please remember to yell, "1 ?? " 2 ?? " 3 ... GO BUCKS!" Our hearts will ache

in sadness, And secret tears will flow, What it meant to lose you... No one will ever know.

“ Deb, Buddy, Jack and family, I am so saddened by your loss. In the short time I knew Bud I just loved his company...He always made me laugh and I enjoyed watching those buckeye games in the garage with everyone. Those were good times and I am glad I was able to share those memories with all of you. If you ever need to talk, cry, or even laugh, please don't hesitate to find me. By the way Bud...if anyone messes with you up there you tell them that you are pretty fly for a white guy ;) All my love, Jenni

“ Debbie and family: I was very sad to hear of Buds passing this week. My thoughts are with you and your family. As we grow older our lives go in so many directions and we see old frends and family less often. Many years have passed since I last talked to you or Bud but I will never forget the very lasting effect he had on my life. He was like my older brother and I am very very sad I did not get to see him before his passing. I have great memories of the local and long distance fishing trips with Bud growing up and remember my first drink of black velvet with him and how sick I was the next day. He knew I was a big Michigan fan but I will remember to say "1-2-3, Go Bucks" on the first game to remember him. My thoughts are with you and your family. Love, Tom Luettkke

“ Please accept my deepest sympathies for your loss. The lost of a love one is the most painful experience we have in life. It would be great if death didn't exist if life never ended in a world that was beautiful and peaceful and everyone loved one another. This can be a reality for all humans if we learn to love Jehovah and Jesus Christ.
