“ Jean and family: What a wonderful life Bill lead!! I have great memories of him and your family. He was kind and always joyful. I know that he was the best partner my dad ever had at the Gas Company. I can only imagine the hours they spent together in that truck....and the conversations...saving the world and all of us kids! I know there is a special cup of coffee being shared in heaven today...with memories of good times. My prayers are with you all.
