“ As a young child in Toledo, I spent many good times at Bill and Marty's. Marty and I are cousins as our mothers were sisters and part of the well reespected Anderson family. My thoughts and prayers are with you during this time of loss. I hope I will see you sometime when I visit Toledo.

“ Bill, in December of 1965 you took a chance on me and hired me into Libbey Owens Ford. This was my first job in data processing and the catalyst for a rewarding career. I will miss you and your e-mails which I always looked forward to. Thank you for your service to our country and for being the best boss I ever had. God love you and keep you close...I'll see you soon. John Schmidbauer Lake Havasu City, AZ
