“ I have known Bill since he was 5 years old, he was always a gentle man, full of love, quick to smile. A horrible loss to be sure.

“ I am so sorry to hear of Bill's passing. He was a great guy and one heck of a homicide detective. I wish I had the words but I don't.

“ The greatness of a man is measured in the way he treats the little man. Bill was a great man indeed who treated everyone with dignity. We worked along side one another in 07' and 08' and as a young detective I learned a lot from Bill, not only work related but many life lessons too. For this I will forever be grateful. Rest well my brother and peace be upon your soul....Coop

Bill was a kind, gentle giant of a man with a heart of gold. It was a pleasure to have worked along side him in Field Operations. His smile will truly be missed. God bless you Bill.

*Coop said it best, Bill never thought of himself as better than the younger upcoming detectives because of his experience. He was always there with a helping hand and any advice you'd need. I always called him "Mr. Kotter", and he would just laugh and say, "My guy"! Rest easy Bill.

I always enjoyed working with Bill. He never met a challenge that he couldn't handle, and he made work an enjoyable experience. We will get past this pain, but not the memory.
