“ So sad to hear that Bill passed. I was just thinking of him. I was a secretary at Prestolite for Bill. After leaving in 1985 we continued for 25 years getting together for lunch. He taught me so much, he was like a second father to me. Talked about his family all the time. Great guy!

“ My condolences to Maisie and the family. Bill and I worked together for 9 years as co-counselors with SCORE. I admired Bill for his patience and commitment to help other people. Although I will be out of town this weekend and cannot stop by to pay my respects, my thoughts and prayers are with the family.

“ I remember Mr. Shull as a coworker of my father Bob Harr. My Mom passed away one year ago also. I know my Dad respected Bill and enjoyed working with him at prestolite. I believe we met at some of the prestolite picnics! It sounds like he had a full life and wonderful family, I am sorry for your loss.

“ To the Shull family, Julie and I were in school together at St. Pius. I'm so sorry for your loss. I have very fond memories of playing after school at your parents' house and eating chips and dip. I can even remember an Easter joke your dad told about rabbits. May he rest in peace. I'm so sorry for your loss.
