PS

“ To Bill's Family A truly great person. Met Bill & Jean when I started to do Competitive Obedience in 1975. A newbie who they welcomed into their sitting area. Both were very caring. Bill & I kept in contact over the years. On his way back from getting his taxes done, he'd stop by. Been a few years since he'd been by. At the TKC trials Bill would stay by the door, making sure people coming & going did not disturb those showing in the ring. We shared the love of hunting dogs & any kind of dog training. Farewell Bill. See you in the hunting grounds. Bring lots of field dummies.
